# Natural Art Conservation

*Natural Art Conservation*

## [Frames](#)

Designer box frames exclusive to Natural Art Conservation.

The simplicity of the design of the white quality perspex box frame ensures that there is no detractor from the natural beauty of the ammonites.

Freestanding or hanging, the ammonites are the focal point of the design.

Ammonites are securely mounted singularly or in pairs allowing you to touch and see the many colours of each ammonite.

These are frames that will suit every home.

**Single or Double Ammonite Frame  
£25.00**
